## HOW TO MEASURE

- 1. Bust:** Place the measuring tape under your arms at the fullest part of your chest, wrap around your body until your finger tips meet and make the measurement.
- 2. Waist:** Measure around your natural waistline where your hips start. Be careful not to squeeze too tight to allow a little give.
- 3. Hips:** With your feet together, measure around the fullest part of your hips to ensure you'll have enough room to move comfortably.
- 4. Inseam:** Place the measuring tape on the crotch seam and measure to the hem (the inseam represents the measurement of the actual garment, not the body).

\*Inseam lengths vary by product — visit the product page online or ask a Champion Teamwear representative to verify the inseam lengths of a specific product.
